

Plan 3

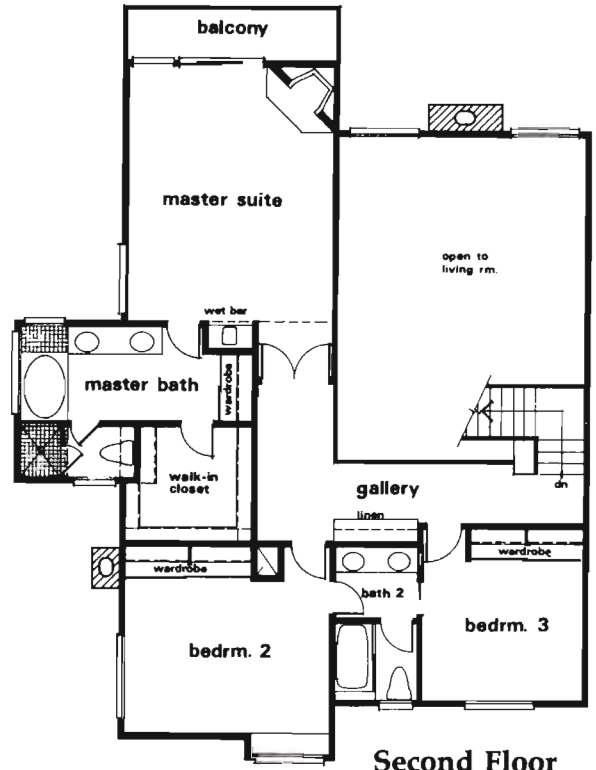

A Mediterranean architectural influence — and its timeless characteristics of clarity and freedom — all find expression in this 2 story residence. The towering natural wood ceiling in the living room is an open, yet subtle statement of success. The first level area is further complemented by a study and family room. The timeless ambiance established in the first level extends to the second level as well, an area highlighted by two children's rooms and a master suite with corner fireplace.

2 Story • 3 Bedrooms • Bonus Room* • Study
 2½ Baths • Fireplace in Living Room, Family Room and Master Suite • Wet Bar
 2,815 Square Feet.
