

# Plan 5

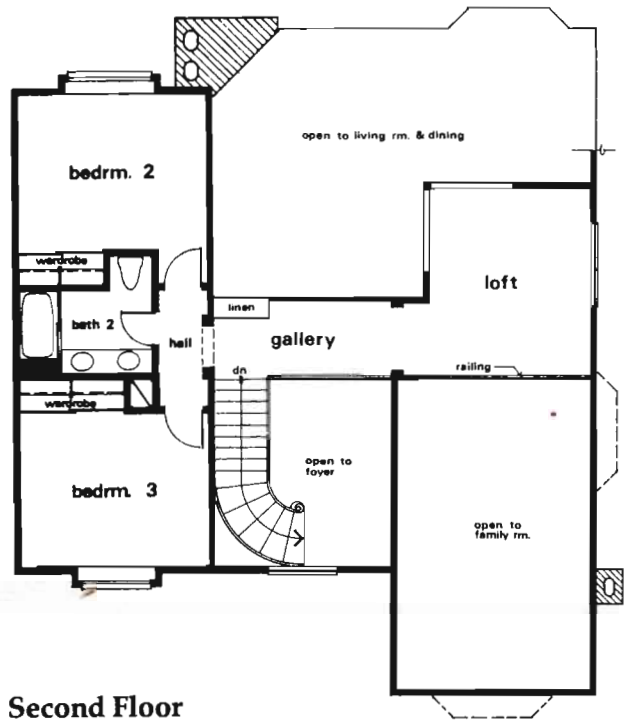

True estate style living is reflected in this home both in scale and appointments. Every visible component of the home — from the country kitchen to the formal dining room and living room with its multi-level ceiling — is of superior quality. Quality that quietly underscores the obvious grandness and generosity of space to create a home that is the ultimate statement of its type.

2 Story • 4 Bedrooms (or 3 Bedrooms/Den) •  
 \*Bonus Room • Fireplace in Living Room, Family Room and Master Suite • Wet Bar • Atrium  
 2,729 Square Feet.
