

1501 Magnolia Manhattan Beach

Inspired Coastal Living

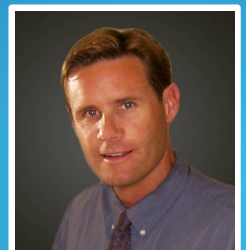

If you're searching for the quintessential beach cottage... welcome home. This warm and inviting Manhattan Beach home is as charming inside as it is from the outside and has been extensively upgraded and expanded to embrace the feeling of life at the beach. From the moment you enter, the open floor plan surrounds you with light and space. Features include oak hardwood floors throughout, remodeled kitchen with stainless steel appliances and granite counters, remodeled bathrooms, beautiful front and rear yards, 2 very large bedrooms plus an extended and updated master suite with sliding doors to the patio. All of this located on a quiet street and just 2 blocks to Meadows Elementary School.

Offered at \$ 1,295,000
