No detail was overlooked when this home was completely re-designed by architect Robert Riblett in 2012. Immaculate from the moment you walk past the professionally landscaped and water sensitive front yard, through the large secluded patio and through the front door to discover the graceful, open floor plan. A three sided, stack stone fireplace anchors the generous space housing the kitchen, formal din... [More](#)

Beautiful ocean, coastline, city and mountain views from the living room, kitchen and porch. The bathroom and kitchen tile look to be older or even original but are in excellent condition. There is an elevator that lifts from the garage to the first level and back down. Large pool in backyard. This home is in move-in condition but can also be modernized....
